DISCIPLINARY PROCEDURE – Academies and Non-Maintained Schools

1. INTRODUCTION

- 1.1 This procedure applies to all staff employed in Somerset academies and non-maintained schools. If any academies or non-maintained schools chooses not to adopt Section 16d they should be aware of the requirement to develop and agree their own written disciplinary procedure in consultation with their trade union/staff representatives.
- 1.2 The procedure recommends appropriate management levels for different levels of action, but this will vary dependent upon persons available who are suitably trained.
- 1.3 The procedure takes due account of the ACAS Code of Practice – Disciplinary and Grievance Procedures which came into effect in August 2017 The School Standards and Framework Act 1998; The School Staffing Regulations 2009 (as amended); the Education Act 2002, Keeping Children Safe in Education September 2016, Regulated activity in relation to children as relevant and appropriate to disciplinary practices and procedures in employment.
- 1.4 The procedure was published in September 2018 and, subject to adoption by the Governing Body/Trust, supersedes all previous disciplinary procedures and practices.

2. PURPOSE

This procedure is designed to help and encourage all employees to achieve and maintain standards of conduct, attendance and job performance*. The Governing Body/Trust requires that whilst attending work, whether or not on academy or non-maintained school premises, employees should conduct themselves in a safe and proper manner, abiding by the academy/schools Code of Conduct, rules and regulations set out in the Articles of Government and the appropriate conditions of service, copies of which are available from the Headteacher. This procedure sets out the action that may be taken when these rules are breached.

* performance would usually be dealt with through the capability routes.

3. EXCEPTIONS

An employee may be dismissed in the following circumstances without recourse to the Disciplinary Procedure:

- redundancy, refer to the redundancy policy;
- expiry of the agreed probationary period if applicable;
- failure to satisfactorily complete NQT Induction (see Induction Arrangements);
- on the expiry of a fixed term contract of employment;
- lack of professional competence (where the appropriate Capability Procedure has been followed);
- dismissal due to long-term ill health, refer to the Sickness Absence Management Policy;
- unsatisfactory attendance due to ill-health (Sickness Absence Management Policy);
- dismissal for some other substantial reason (SOSR);
- where it would be unlawful for their employment to continue;
- disqualification by association.

4. PRINCIPLES

- 4.1 The Governing Body/Trust will take all necessary measures to ensure that the rules and regulations which are in force are communicated to all employees, e.g. via inductions, employee handbooks, notice boards, etc. It is the responsibility of individual employees to ensure that they are aware of and understand these rules and regulations. Details are available from the Headteacher.
- 4.2 The day-to-day supervision of staff is part of the normal management process and is outside the formal procedure for dealing with breaches of discipline. There is likely to be less recourse to the formal procedure if deficiencies in an employee's conduct are brought to their attention at the earliest possible stage by their immediate supervisor. In principle, it is intended that day-to-day managerial approaches are adopted wherever possible. (See Informal Support and Guidance Strategy - [Appendix F](#)).
- 4.3 The procedure is designed to establish the facts quickly and to deal consistently and fairly with disciplinary issues. No disciplinary action will be taken until the matter has been investigated fully (see Section 16a Conducting Workplace Investigations) and a formal disciplinary hearing held (see [Appendix D](#)).
- 4.4 When allegations or concerns first come to light it is appropriate to hold a meeting with the member of staff as soon as reasonably practicable which covers the following:
- Informs them of the issue/allegation, invite an immediate response (to help management form a view as to whether further investigation is needed).
 - Advise the employee to seek advice/support from their Trade Union and establish whether they will be able to attend any further investigatory interviews.
 - Inform the member of staff that they will be kept informed about decisions to proceed with further investigations or if the matter is concluded.
 - If the decision is to proceed to an investigation, see Section 16a Conducting Workplace Investigations.
- 4.5 The employee should be given as much notice as possible of the hearing to allow them to prepare their response (normally between 5 and 10 working days). If less than 5 days' notice is to be given then the hearing can only proceed if agreed by both parties. The invite letter should inform the employee what the complaint/concerns are being considered by the panel (see standard letter at [Appendix A](#)). This letter should be sent by recorded delivery if personal delivery is not practicable. Any supporting papers should be circulated as far in advance of the disciplinary hearing as possible, and in any event no later than 5 working days prior to the hearing unless agreed by both parties. When requested, copies will be provided to the employee's companion. The employee will be given the opportunity to state their case at the disciplinary hearing. Please note that if new evidence or facts emerge during the hearing, it may be necessary to adjourn the hearing to further investigate and then reconvene the hearing when these enquiries have been completed. This decision will rest with the Chair of the Panel.
- 4.6 If an employee (and/or their representative) cannot attend a meeting, they must inform the academy/school in advance. If there is a reasonable and justifiable reason for a hearing to be re-arranged, this will normally take place within 5 working days of the original date. If an employee fails to attend the disciplinary hearing without good cause, or the hearing has previously been re-arranged, a decision may be taken in their absence. If there are medical reasons for non-attendance, the employee is required to produce a Doctor's statement (the cost of which would be refunded by the academy/school) and may be referred to occupational health. In

normal circumstances, an employee is expected to attend a disciplinary hearing or investigation meeting even when they may be regarded as being unfit to attend for their normal work. If an employee produces a medical certificate from their GP attesting that they are unfit for work due to a reason unconnected with the disciplinary hearing or matter under investigation, then a postponement may be considered by the Governing Body/Trust as reasonable in those circumstances. However, if the reason for the absence as attested by the employee's GP is stress related to or arising from the disciplinary hearing or matter under investigation, then this will not be regarded as a legitimate reason for postponing the matter. If the cause of the stress is the potential disciplinary matter under consideration it follows that the conclusion of the matter will resolve the issues causing the stress and the absence arising from it. If the matter is of such gravity that it must be dealt with immediately then the hearing will proceed in the employee's absence. Any decision to proceed with a subsequently re-arranged hearing at which the employee again fails to attend will take into account the reason for the non-attendance, medical advice from an Occupational Health Physician (if appropriate), the seriousness of the matter being considered and whether or not the employee has a companion to respond on their behalf.

- 4.7 The employee will have the right in law to be accompanied by a companion at all formal stages of the disciplinary procedure, good practice would also allow an employee to be accompanied during any investigation interviews, and this request should not be refused if it has no undue impact on the investigation progressing in a timely fashion. A companion may be a fellow employee, an official employed by a trade union or a work based trade union representative (see [Appendix E](#) for Role of Companion).
- 4.8 An employee has the right to appeal against any formal disciplinary warning imposed (see paragraph 10).
- 4.9 An employee will be required to acknowledge receipt of a warning letter and confirm that its implications are understood.
- 4.10 The procedure may be implemented at any stage if the employee's alleged misconduct warrants such action.
- 4.11 Repeated acts of misconduct where the warnings are current, whether of a similar or dissimilar nature, will result in the cumulative application of this procedure (see paragraph 5.4).
- 4.12 An employee will not be dismissed for a first breach of discipline except in the case of gross misconduct when dismissal may be immediate and without notice or payment in lieu of notice.
- 4.13 In the course of a disciplinary investigation or hearing, an employee might raise a grievance that is related to the case. Depending on the nature of the grievance, the disciplinary process may be suspended for a short while whilst the grievance is dealt with. Where the grievance and disciplinary cases are related, it may be appropriate to deal with both issues concurrently.

Where the grievance relates to the Governing Body/Trust's decision to impose a disciplinary sanction, the grievance procedure **does not** apply and the grounds for the employee's grievance may be dealt with as part of the appeal against the sanction.

Where the grievance is raised at the outset of the investigation or notification of the hearing and the grievance relates to the case e.g. the suitability or impartiality of the

Manager conducting the investigation or the hearing or the refusal of the Manager conducting the investigation to include witnesses proposed by the employee, then the disciplinary process may be suspended for a short while to enable the grievance to be considered as a separate process.

Where the grievance is raised during the disciplinary hearing, or after the disciplinary hearing but before any appeal, then the grievance will be dealt with as part of the disciplinary or the appeal hearing. In effect, the grievance becomes part of the employee's response to the case being presented at the disciplinary hearing or becomes one of the grounds for the appeal.

Where appropriate, the Headteacher/Governing Body/Trust may wish to keep the Diocese informed of events, which is normally facilitated by a nominated representative on the Governing Body/Trust.

5. **SANCTIONS**

Minor faults will be dealt with informally, normally by the employee's immediate supervisor either via day to day management or the informal support and guidance strategy set out in [Appendix F](#). Where the matter is more serious or the behaviour or actions continue, the following procedures and sanctions will apply once a thorough investigation has taken place and following a formal disciplinary hearing:-

5.1 **Stage 1 - Verbal Warning**

If conduct is found not to meet acceptable standards then the employee will normally be given a formal recorded VERBAL WARNING (standard letter at [Appendix B](#)). They will be advised of the reason for the warning, the length of time that it will remain current and of the right to appeal. A letter confirming the verbal warning will be issued and a copy placed in the employee's file. The warning will normally remain current for a minimum of 3 months and a maximum of 12 months, after which it becomes spent.

Recommended management level: Headteacher/Deputy Headteacher/Business Manager (depending on school size and occupational group)

5.2 **Stage 2 - Written Warning**

If the issue is a more serious one, i.e. impact on Trust's business is/could be serious, or if further misconduct occurs whilst a verbal warning is current, the employee will be given a WRITTEN WARNING letter (standard letter at [Appendix B](#)). They will be advised of the reason for the warning, the length of time that it will remain current, the improvement required and of the right to appeal. A copy of this written warning will be placed in the employee's file. The warning will normally remain current for a minimum of 6 months and a maximum of 12 months, after which it becomes spent.

Recommended management level: Headteacher/Deputy Headteacher/Business Manager (depending on school size and occupational group)

5.3 **Stage 3 - Final Written Warning**

If the misconduct is more serious than that considered appropriate for a written warning or if further misconduct occurs whilst a written warning is current, the employee will be given a FINAL DISCIPLINARY WARNING letter will normally be given to the employee following a formal disciplinary hearing (standard letter at

[Appendix B](#)). They will be advised of the reason for the warning, the length of time that it will remain current, that dismissal will result if there is a further act of misconduct/poor performance and of the right of appeal. A copy of the final written warning will be held in the employee's file and kept by the Line Manager. The warning will remain current for a minimum of 12 months and a maximum of 18 months (in exceptional cases the period may be longer, e.g. a lengthy pattern of misconduct where previous warnings have failed to secure the required improvement and it is felt that a longer period of time is necessary for the employee to establish a pattern of sustained good conduct), after which it becomes spent. .

Recommended management level: Headteacher

5.4 Stage 4 - Dismissal

If, during the currency of a final warning, further misconduct which would warrant a formal warning occurs, dismissal with notice/pay in lieu of notice will result, other than in exceptional circumstances, (see NB below). It is also possible (if the issue is of sufficient seriousness) to move from a lower level formal disciplinary warning to dismissal.

Regulations made under Sections 35 and 36 of the Education Act 2002 provide for the delegation by the Governing Body/Trust of an initial staff dismissal determination to the Headteacher. Where the Headteacher is not exercising delegated responsibilities or the Headteacher is being considered for dismissal, the initial dismissal decision should be delegated to a Governor/Trust Staff Dismissal Committee of at least 3 Governors, unless there are not enough Governors who have not been involved in any previous action or decision connected to the dismissal. In this case, the decision should be delegated to a panel of 2 Governors. Wherever such a determination is being contemplated following investigation, the Chair of Governors must be informed. **It is strongly recommended that legal / HR advice is sought.**

If a disciplinary hearing determines that an employee of the academy or non-maintained school should cease to work at the school, the Headteacher or Chair of the Governors/Trust Staff Dismissal Committee, will confirm the decision in writing, stating the grounds for the determination to dismiss and right of appeal (see paragraph 10.2).

In accordance with Sections 35 and 36 of the Education Act 2002, the employee can be dismissed prior to the period allowed for the employee to lodge an appeal and for that appeal to be heard. The termination may be rescinded if an appeal is upheld.

NB: It is for the Headteacher/Governors/Trust Dismissal Committee, advised by the Local Authority Adviser, to determine whether there are such exceptional circumstances to not dismiss and each situation will be considered on its own merits.

Examples of such circumstances could be:

- *distressing, unforeseen family or external circumstances affecting the employee;*
- *where the employee has a serious or terminal illness and the Headteacher or Governors/Trust Committee determine not to exercise a decision that would lead to dismissal.*

5.4.1 Where there has been a misconduct which has resulted in dismissal or a member of staff has resigned where dismissal was an option and there is a safeguarding element (as outlined in Keeping Children Safe in Education

DfE 2016), the Academy/Trust is required to make a referral to the Disclosure and Barring Service. In cases where there is no child protection element, but misconduct has resulted in dismissal, or the employee has resigned when dismissal was an option, in the case of teachers the Academy/Trust is required to make a referral to the Disclosure and Barring Service. When considering a referral, legal or HR advice should be sought.

5.5 **Disciplinary Warnings – Record Keeping**

Whilst warnings issued under 5.1, 5.2 and 5.3 above will be disregarded for future disciplinary purposes once such warnings are spent, a record relating to any child protection/safeguarding allegations will be retained.

For those warnings not related to child protection/safeguarding, the warning letter itself should be removed, however, any accompanying management guidance about the expectations for future standards of conduct and performance should be retained.

To ensure compliance with these record-keeping requirements, any management guidance should be on a separate document to the note of the actual disciplinary sanction.

Refer to guidance on iPost Section 23c Keeping Children Safe in Education September 2016.

Keeping Children Safe in Education (Statutory Guidance issued by the DfE in September 2016 states:-

“For child protection/safeguarding allegations (excluding those found to be malicious) it is important that a clear and comprehensive summary of the allegation, details of how the allegation was followed up and resolved, and a note of any action taken and decisions reached, is kept on the confidential personnel file of the accused, and a copy provided to the person concerned.”

6. **GROSS MISCONDUCT**

- 6.1 This is misconduct of such gravity as to warrant summary dismissal. In the case of alleged gross misconduct, it will normally be necessary to suspend the employee from work on full pay (please refer to paragraph 7) while the alleged offence is investigated. If the Headteacher is exercising their right of delegated responsibility for dealing with staffing matters as defined by the school staffing regulations, an investigation will normally be delegated to the Deputy Headteacher or other appropriate senior member of staff. If, as a result of a full investigation and disciplinary hearing, the Headteacher or Governor/Trust Staff Dismissal Committee has reason to believe gross misconduct has occurred, they will normally determine that the person should cease to work at the academy without the need for notice.

The decision to dismiss will be actioned by the academy/school in accordance with paragraph 5.4 irrespective of the employee's decision to exercise their right of appeal. If the appeal is subsequently successful, reinstatement will be directed (see paragraph 10.4).

- 6.2 It is not possible to provide an exhaustive list of the types of offences which are to be regarded as gross misconduct. However, the following provides examples of the offences which, depending on the circumstances of the particular case, could be considered by the Governing Body/Trust or Headteacher as gross misconduct.

- An inappropriate relationship, or an attempt to establish an inappropriate relationship, with a pupil, whether of a sexual nature or otherwise.
- Behaviour towards a child or children in a way that demonstrates they are unsuitable to work with children. (Refer to Section 23c Keeping Children Safe in Education September 2016.
- Disclosure of school/academy documents and other confidential information to unauthorised third parties.
- Physical violence or bullying.
- Deliberate damage to property.
- Drunkenness or the consumption of alcohol while on duty.
- The use or distribution of illegal drugs while on the school/academy premises.
- Indecency.
- Bringing the employer into serious disrepute.
- Serious infringement or reckless disregard of the school's/academy's Health & Safety Policy
- Theft or unauthorised possession of items belonging to other employees, the school, the Local Authority/Trust or clients.
- Physical assault, violence, abusive or threatening behaviour, in the course of an employee's duties whether or not on School/Academy/Local Authority/Diocean Board property. (Please also note paragraph 8 below).
- Unlawful discrimination (see Paragraph 8 below).
- Falsification and irregular practice in respect of cash, records or returns, time sheets or medical self-certificates etc.
- Fraud, or attempt to defraud, corrupt or bribe.
- Deliberate misuse of Data Protection information.
- Unauthorised access to information held on computer including internet sites containing offensive or obscene material.
- Deliberately accessing information held on a computer, including internet sites containing offensive or obscene material, which damages or has potential to damage public confidence in the service provided.
- Serious insubordination.
- Gross negligence or a deliberate act or acts which causes unacceptable risk, loss or damage to Local Authority property, injury, or damages the public reputation of the School/Academy/Local Authority/Trust?

- A criminal conviction or caution, whether or not the offence is related to or committed in connection with employment, which may affect the employee's suitability or availability for continued employment.
- A sustained serious/significant breach in professional standards/codes of practice which bring in to question your suitability for the role.
- Serious discrimination, harassment or bullying of colleagues or clients or fundamental breach of Section 3 of Guidance for Schools – Fairness and Dignity at Work.
- Serious infringement of the School/Academy's Health and Safety policies and procedures and also for employees involved in catering activities food procedures and also for employees involved in catering activities, food hygiene regulations.
- Behaviour or conduct, whether inside or outside of work, which confirms that an individual is unsuitable to work in an educational setting.

7. **SUSPENSION DURING AN INVESTIGATION**

- 7.1 Suspension of full pay normally occurs where there is an allegation which potentially constitutes gross misconduct or a criminal offence. In some circumstances, for the individual to remain on site could inhibit an investigation. An employee may be suspended which must be on full pay. This is not a disciplinary step, but a means to enable an unhindered investigation to establish the facts, and may occur at any time during the investigation. Consideration will be given to suspending access to school premises and IT sites. Suspension must be confirmed in writing within 3 calendar days (see standard letter at [Appendix C](#)).
- 7.2 The Governing Body/Trust has the power to suspend the Headteacher. This power should be delegated to a committee or panel of the Governing Body/Trust, e.g. the Personnel Committee or to a member of the Governing Body/Trust e.g. the Chair. Other members of staff may be suspended by the nominated committee, Governing Body/Trust member or the Headteacher (or the Deputy Headteacher in the absence of the Headteacher).
- 7.3 Suspension is not a disciplinary sanction but nonetheless will be viewed by the individual as a very serious step which has the potential to "cast a shadow" on an employee's reputation. Therefore, it needs to be considered very carefully before being taken and should only happen once a preliminary review of the facts has taken place (see explanatory note below). It should not be undertaken without good reason and we recommend consulting the school's HR Adviser and considering the alternatives to suspension as outlined in 7.4 below.

Circumstances in which suspension could properly occur include:

- (a) Where this would allow a more objective examination of the allegation and the employee's presence could interfere with the investigation;
- (b) Where the member of staff is the subject of a Police investigation and the alleged offence is considered relevant to their professional duties;
- (c) Where there is a reasonable ground to believe that it would seriously affect the interests of the School/Academy and/or the employee if they were to remain at work; or

- (d) Where a child/or children is/are at risk. (See Section 23 Keeping Children Safe in Education Guide September 2016)

This list is not to be regarded as exhaustive.

Explanatory note: Any preliminary review into whether suspension is appropriate should conclude that the allegations, as highlighted, **could** have happened, warrants suspension and the options in 7.4 are not suitable.

- 7.4 Paid leave of absence, mutual agreement to refrain from work, alternative duties or locations should also be seriously considered first as an alternative to suspension.
- 7.5 Any suspension should be kept under review throughout the investigation and may be lifted at any stage but may only be done by the nominated Governing Body/Trust committee, or member. The employee should be informed of this in person and an appropriate written statement confirming the end of the period of suspension will be issued to the employee following this meeting.
- 7.6 If an employee is suspended then a management contact should be identified who is responsible for maintaining contact with the suspended employee and who they can contact on work related issues.

8. **EQUAL OPPORTUNITIES**

All employees should be fully aware of the Governing Body/Trust's commitment to equal opportunities and that the following acts are both **unlawful** and would constitute misconduct liable to disciplinary action which may include summary dismissal.

- Discriminating unlawfully in the course of their employment against fellow employees or job applicants in job, transfer or promotion applications.
- Inducing, or attempting to induce, employees or Managers to practise unlawful discrimination.
- Verbal or physical, harassment or behaviour of a nature which is known, or should be known, to be offensive to the victim.
- Victimising individuals who have made allegations or complaints of discrimination or harassment or provided information about such discrimination or harassment.

9. **TRADE UNION ASSOCIATION, LAY REPRESENTATIVES**

In all respects trade union/association representatives will adhere to the rules of conduct applicable to all other employees. No formal disciplinary action may be taken until the circumstances of the case have been investigated and discussed, after obtaining the employee's agreement, with the appropriate full-time Trade Union official. The LA should be informed immediately when such an allegation is made or concern raised.

A trade union/association representative may be suspended on full pay without discussion with the full-time Trade Union Official if they are not readily available. Notification should, however, be made as soon as possible.

10. **APPEALS**

10.1 **Formal Verbal Warnings/Written Warnings**

An employee who wishes to appeal against a formal recorded verbal warning or a written or final written warning should inform the **Clerk to the Governing Body/Trust** in writing within 10 working days of receipt of the disciplinary letter, stating the grounds for the appeal.

The appeal should normally be heard by the Appeals Committee of the Governing Body/Trust comprising at least 3* Governors who have not been involved in any previous action or decision connected with the matter within 15 working days of the appeal being lodged.

The employee will have the right to be accompanied at all stages of the appeals process. (See paragraph 4.7 for definition of 'companion'.)

The decision of the Appeals Committee of the Governing Body/Trust will be final. At the appeal, the disciplinary penalty, i.e. level of warning and/or duration imposed will be reviewed but it cannot be increased.

* Where 3 such Governors are not available then the appeal may be heard by no less than 2. If the initial disciplinary decision was heard by a committee of Governors then the Appeals Committee must comprise at least the same number of Governors who made the original decision.

10.2 Dismissal

An employee who wishes to appeal against the Headteacher's or Governors' determination that the employee should cease to work at the school, should inform the Clerk to the Governors/Trust in writing within 10 working days of receipt of the disciplinary letter, stating the grounds for the appeal.

The appeal would be heard by the **Appeals Committee of the Governing Body/Trust** normally within 15 working days of the appeal being lodged.

10.3 The decision of the Appeals Committee of the Governing Body/Trust will be final. At the appeal, a lesser disciplinary penalty may be imposed on review of the dismissal.

10.4 If, as a result of an appeal, reinstatement is directed, any loss of normal earnings before the hearing of the appeal will be reimbursed.

10.5 If the decision to dismiss is confirmed by the Appeals Committee, the employee will be informed, in writing, that the dismissal notice already issued will stand. A copy of the notification will be sent to the Local Authority.

10.6 Further information on appeals is in Section 2 Appendix A of Guidance for Schools.

11. WITNESSES

11.1 As part of the investigation process, it is the employee's responsibility to inform the investigating officer at the formal investigation meeting of any witnesses they feel are relevant to the case and why, i.e. witness of alleged incident, character witness, professional knowledge witness. The investigating officer will then decide who will be interviewed as part of the investigation and invite them to an investigation meeting (a model invite letter can be found at [Appendix G](#)).

11.2 Should the case progress to a formal hearing both the investigating officer and the employee have the right to request that **relevant** witnesses to the alleged offence are called and should provide details of witnesses and their relevance to the person who

is providing the administration support to the presenting manager (Schools will need to consider the appropriateness of the person providing this support – if Governor Panel it should be the Clerk to Governors or if being heard by the Headteacher it could be the Headteacher's personal assistant / office manager). The Chair of the panel will review and agree or decline the request for the attendance of the witnesses.

- 11.3 Witnesses should only be invited to a hearing by the clerk of the panel following instruction from the Chair of the panel. A model invite letter can be found at [Appendix H](#). Where there is dispute about the relevance of a witness (i.e. they have not witnessed the events under investigation, or a significant number of witnesses are being called to provide the same information, in the case of character witnesses) the Chair of the panel will make the final decision about whether to hear from any individual. (Please note: a witness can choose not to attend a disciplinary hearing and cannot be forced to do so).
- 11.4 When the disciplinary involves one person making allegations against another then natural justice requires that the person be seen by the panel and questioned by the person they are accusing, or their representative. This may not be appropriate when the accusation is part of a severe bullying/harassment allegation or when it involves pupils of the school (see 11.5).
- 11.5 In the majority of circumstances, subject to 11.2 above, it would be inappropriate for the Chair of a panel to decide not to hear from any witness the respondent feels has relevant information about the case. If the Chair of the panel does decide not to hear from a witness, the reason for the decision should be clearly outlined to the employee and their companion in advance of the hearing to allow witness statements to be produced if necessary. Where a witness is stood down just before the hearing and there is no opportunity available for a witness statement to be produced, a revised date for the hearing should be considered, where appropriate.
- 11.6 On occasions, allegations will be made by pupils or they may have witnessed key events. In these circumstances, we would not expect a pupil to be present at a disciplinary hearing. It may, however, be appropriate for the employee's representative to be present at interviews held with any children so that they can confirm leading questions have not been asked or allow the employee, or their representative, to highlight questions they would like asked to the pupils. In these circumstances, a balance will always have to be struck between the rights of the accused member of staff and the pupil. At the very least, a record of all the questions asked of the child/young person should be recorded and made available, along with the responses to ensure transparency in relation to the evidence gathered. Students' statements/records of interviews should be signed and dated to evidence that the student has read and agreed their accuracy.

When allegations relate to severe bullying/harassment, where appropriate, a similar approach can be used with staff, to minimise the distress of staff giving evidence. In all circumstances, the investigator / panel should balance the rights of all individuals and be clear about the reason why they have proceeded in the way they have.

The above principles can also be used to allow an employee's representative to observe the interviews held with others witnesses. This may negate the need for a witness to be called to the actual hearing, but should not delay the process. The role of the representative is purely one of observer and they should make no comment during the meeting if their attendance is agreed.

PROCESS TO BE FOLLOWED AT A DISCIPLINARY HEARING

1. GENERAL

For purposes of this procedure the following definitions apply:

Hearing - a formal disciplinary hearing convened in accordance with this procedure and held before the recommended management level as set out in paragraph 5 of the Disciplinary Procedure.

Panel - the recommended Manager (Headteacher, Deputy Headteacher/ Business Manager) as set out in Paragraph 5 together with the Manager's professional adviser, normally the school/academy's HR Adviser or other appropriate officer.

Committee - a group of members of the Governing Body/Trust convened to hear a case in accordance with this procedure.

No disciplinary action will be taken against an employee until the matter has been investigated fully and a formal disciplinary hearing has been held. (Paragraph 4.3 of the procedure).

(a) Membership

Where the hearing is to be held before a panel of members of the Governing Body/Trust (the Staff Dismissal Committee - see paragraph 5.4 of the procedure), the panel should normally comprise of no fewer than 3 Governors, none of whom should be Governors or employees at the school/academy who have a direct or indirect financial interest in the outcome of the hearing. In exceptional circumstances, the panel may consist 2 members. Any subsequent Appeals Committee must then comprise at least the same number of Governors who attended the original hearing.

(b) Administration

The administration arrangements for a hearing will be the responsibility of the presenting Manager, except where the case is to be heard by a panel of members of the Governing Body/Trust, in which case it will be the responsibility of the Clerk to the Governing Body/Trust, in liaison with the presenting Manager. In most cases, administrative support will be provided through the school/academy office but where this is not appropriate, eg for purposes of confidentiality, such support may be commissioned/purchased from the LA.

(c) Powers

The disciplinary hearing can:

- determine to dismiss the employee (Headteacher where delegation has been given by the Governing Body/Trust or Staff Dismissal Committee only). The employee will be given the right to appeal to the Governors' Appeals Committee by writing to the Clerk to Governors within 10 working days.

- determine not to dismiss (Headteacher or Staff Dismissal Committee only).
- either determine there is no case to answer, or to issue a formal warning in accordance with the Disciplinary Procedure. The employee will be given the right to appeal to the Governors' Appeals Committee / Headteacher by writing to the Clerk to the Governors within 10 working days.

(d) **Methods of Operation**

- Strict confidentiality will be observed with regard to the hearing and all related documentation.
- The rules of "natural justice" will be applied as far as is possible for hearings. Accordingly, the employee can arrange to be represented or supported by a companion (as defined by paragraph 4.7); call witnesses and submit documents to the hearing.
- Hearings are conducted as informally as possible within the guidelines set out in paragraph 3 below.

2. **ACTION PRIOR TO THE HEARING**

If the Headteacher is hearing the case, the presenting Manager will be responsible for ensuring the administrative arrangements are carried out as detailed below, normally using the school/academy's administrative services. Where the case is to be heard by a Governors' panel, the arrangements will be carried out by the Clerk to the Governing Body/Trust.

- (a) The Clerk to the Governors/presenting Manager, in liaison with an appropriate school/academy administrator, will:
- arrange for the hearing to be heard as soon as reasonably practical;
 - give all parties to the hearing as much notice as possible of the hearing in writing, of the time and place of the hearing (we would normally suggest between 5 and 10 working days). If less than 5 days' notice is to be given, the hearing can only proceed if agreed by both parties;
 - invite relevant documents in support of their respective cases from the employee and their representative and the presenting Manager/ Headteacher, with an instruction that the Clerk/administrator should receive any documents in time for circulation with the agenda, i.e. at least 5 working days before the hearing, to allow circulation to all parties;
 - table at the hearing any late documents received, subject to the agreement of all parties. If there are late submissions and agreement cannot be reached, the Chair of the Panel will make the final decision on whether they should be considered.
 - circulate the list of witnesses who have been invited.

- (b) Every effort should be made by the parties to exchange written evidence prior to the hearing, late submission of evidence should be avoided if at all possible.

3. THE HEARING

The conduct of any hearings held under the scope of this procedure will be as follows:

3.1 Preliminaries

- 3.1.1 Confirm who will Chair the Hearing and that the Panel or Committee is eligible to hear the case in accordance with the Disciplinary Procedure.
- 3.1.2 Invite both parties and their advisers/companion to enter the meeting.
- 3.1.3 After introduction, ask both parties who will be their chief spokesperson and inform them of the procedure to be adopted.
- 3.1.4 State precisely what the complaint/allegation is, as outlines in the letter of invitation to the hearing and/or outlined in any disciplinary reports.
- 3.1.5 Confirm the list of witnesses (if any) to be called by both parties.

3.2 The Procedure for Disciplinary Hearing Agenda

- 3.2.1 Invite the presenting Manager to make their opening statement and to call witnesses, if appropriate.
- 3.2.2 Where no witness has been called, the employee, or their companion, may question the Manager on their case, or parts of it, once it has been presented.
- 3.2.3 Where a witness has been called and given evidence, the employee, or their companion, may ask questions of the witness. The Manager then has a right to re-question on any matter arising from the employee's questions. The Panel or Committee may ask questions of the Manager and their witness.
- 3.2.4 The employee, or their companion, then has a right to question on any matter arising from the Panel or Committee's questions.
- 3.2.5 Invite the employee, or their representative, to make their opening statement and to put their case and call witnesses if appropriate.
- 3.2.6 Where no witness has been called, the Manager may question the employee, or their companion, on their case, or parts of it, once it has been presented. Any questions asked of the employee should be answered by them and not their companion.
- 3.2.7 Where a witness has been called and given evidence, the Manager may question the witness. The employee, or their representative, then has the right to question on any matter arising from the Manager's questions.
- 3.2.8 The Panel or Committee may ask questions of the employee, or their companion, and their witnesses. The Manager then has a right to question on any matter arising from the Panel or Committee's questions.

- 3.2.9 Witnesses will leave the room after having given, or having been questioned on, their evidence. Whilst witnesses are normally only required to be present whilst giving evidence, in some circumstances witnesses may remain throughout the hearing at the discretion of the Chair, eg where it is felt that this may assist either party in the presentation of their case to the hearing. However, due care will be taken by the Panel or Committee to ensure that any use of this discretion does not compromise or impede either side's case or any individual witnesses evidence.
- 3.2.10 There should be no discussion on the case or associated matters between the witnesses before or after giving evidence.
- 3.2.11 At the discretion of the Chair of the Hearing, further questions by one part of the other may be permitted if, in the view of the Chair, it would assist in clarifying the relevant issues or eliciting further evidence.
- 3.2.12 Invite the presenting Manager to make their closing statement.
- 3.2.13 Invite the employee, or their companion, to make their closing statement.
- 3.2.14 The Panel or Committee may ask further questions of the Manager and/or the employee, or their companion.
- 3.2.15 Both parties to leave the room while the Panel or Committee considers their decision.
- 3.2.16 While considering their decision, the Panel may view that they need further information or clarification by one or other party. In these circumstances, both sides should be recalled, even if clarification is only required by one party.
- 3.2.17 Both parties to be invited back to hear the Panel or Committee's decision.
- 3.2.18 No further discussion or debate will take place.
- 3.2.19 The Panel or Committee's decision will be confirmed in writing within 5 working days.

4. **THE DECISION**

- (a) The Headteacher/Panel will examine all of the issues fully before reaching a decision.
- (b) Following the adjournment, the Headteacher/Chair of the Panel will inform both parties of the decision reached. This will be confirmed in writing by the Headteacher/Chair of the Panel.
- (c) A copy of the decision will be provided to the Local Authority.

ROLE OF THE COMPANION

1. A companion can be:
 - a fellow school/academy employee;
 - an official employed by a trade union;
 - a workplace based trade union representative, certified in writing by the trade union as having experience of, or having received training in, acting as a worker's companion at a disciplinary or grievance hearing.

2. The companion will be allowed to address the hearing in order to:
 - put the employee's case and ask questions on behalf of the employee;
 - sum up the employee's case;
 - respond on the employee's behalf to any view expressed at the hearing;
 - confer with the employee during the hearing.

The companion has no right to answer questions on the employee's behalf, to address the hearing if the employee does not wish it, or to prevent the employee from explaining their case.

INFORMAL SUPPORT AND GUIDANCE STRATEGY

1. INTRODUCTION AND PREAMBLE

- 1.1 This guidance does not form part of the formal Disciplinary Procedure. It takes into account that most issues relating to conduct and performance are more appropriately dealt with on a day-to-day basis through line management intervention and, if appropriate, admonishment.
- 1.2 It also recognises that there is a range of management responses to issues of conduct and performance that falls between day-to-day management supervision and formal disciplinary procedures.
- 1.3 This document outlines advice and guidance in relation to informal support strategies to:
- (i) obtain improvement in the conduct and/or performance of an individual employee; and
 - (ii) wherever possible avoid formal disciplinary action.
- 1.4 It is written to support the principles set out in paragraph 4.2 of the Disciplinary Procedure. It also recognises that formal disciplinary action is never taken lightly and should normally be a last resort.
- 1.5 Often some concerns and issues are some way from formal action and there is some “middle ground”.
- 1.6 This document sets out a structured informal process that Managers can adopt in that ‘middle ground’ when, for example, initial management meetings and discussions have not had the desired effect.
- 1.7 To follow this course of action the Manager, having established the apparent circumstances, needs to be specific about their concerns (with instances and evidence) and to genuinely want the employee to reach and maintain proper conduct. This should not be regarded as just a way of preparing the ground for formal action.
- 1.8 The informal process involves a discussion with the member of staff. The invitation to the discussion meeting, which can be oral, by informal note or by letter, should contain some key information, namely:
- that the meeting is informal;
 - it is an opportunity to discuss matters of concern;
 - it is an opportunity to outline the expectations in terms of future conduct;
 - it is an opportunity to identify support strategies and advice needed to improve future conduct.

Although the meeting is an informal one, the employee may request to be accompanied by a work colleague or work place Trade Union Representative and this should not be unreasonably refused.

If you chose to write a letter inviting the employee to a meeting a model letter is attached as [Appendix F1](#).

2. THE MEETING

- 2.1 At the meeting, the Manager should outline their concerns with clear supporting evidence.
- 2.2 The Manager should listen to any feedback/response from the member of staff.
- 2.3 The Manager should confirm their expectations of the member of staff.
- 2.4 The Manager should state what support and guidance will be available to the member of staff to assist them to reach and maintain the required standards.
- 2.5 In most circumstances, a review meeting will be required and the Manager should set an appropriate review date, e.g. 3 months. However, some issues may be concluded in a single meeting.
- 2.6 Once the meeting has taken place the discussion should be followed up with a letter of guidance and expectation – this letter will be placed on the employee's file and may be referred to in the future should there be a repetition of similar concerns being raised. A model letter is attached as [Appendix F2](#).
- 2.7 Following the meeting, the Manager should monitor and record any positives and negatives in preparation for the review. The Manager should, however, bring to the attention of the employee any instances relevant to the issues causing concern as and when they occur during the review period.
- 2.8 Informal Management Advice & Guidance is not a formal sanction and, therefore, should not be referred to as such in any part of a response to a reference request that may be received.
